

AS and BTEC National Two year Option Pools – choose subjects in 4 pools (2012)

- Students taking a BTEC course must take it in both pools
- All students take AS General studies in year 12 or Critical thinking (Please discuss with head of year)
- Community Languages are available in mandarin, Japanese, Gujarati, Panjabi, Urdu, Hindi, and Arabic. Lessons will be arranged in student non-contact time.
- Further Mathematics students should take Mathematics statistics as their first Mathematics A Level in pool A

If 6 A* to C including English and Mathematics (in 5 or more subjects) then students pick 4 subjects (from 4 pools) + AS General Studies
 If 6 A* to C including English **or** Mathematics in 5 or more subjects then students pick 3 subjects and must study Maths GCSE or English GCSE in Pool E + AS General Studies

TWO-YEAR COURSES – Students to pick 4 subjects from 4 ‘Pool’s
