Dear Parents

Year 12 Higher Education Information Evening – Thursday, 23rd February 2012

I would like to invite all Year 12 students and parents to a Higher Education Information Evening on Thursday, 23rd February 2012, to be held in St Mary's Hall at 6.30pm.

The focus for the evening will be "Preparation for University Applications".

Many parents say the whole Higher Education application process mystifies them and the purpose of the evening is to explain how the process works and the support provided by Haydon to students. A wide variety of universities will be attending to offer support and advice regarding applications. In addition to this we hope to have representatives from other public sectors and careers guidance for students not considering Higher Education.

The evening will be divided into two sessions –

- A presentation on preparation for university applications
- A Higher Education and Careers Fair where you will have an opportunity to meet representatives and ask questions.

You will need to collect a ticket from the entrance foyer for the presentation. Due to the high number of visitors the presentation will be split into two different time slots. I strongly recommend that students attend with their parents. The presentation for group one will take place at 6.30pm after which, you can visit the Higher Education/Careers Fair. Group two can visit the fair between 6.30pm -7.30pm, and attend the second presentation at 7.30pm. Please ensure you collect your tickets on arrival for your choice of presentation as there will be limited space.

Mission Statement

Haydon School is committed to the achievement of individual excellence, encouraging students to be creative and considerate, confident of their role in society and capable of rising to the challenges of a diverse and rapidly developing global economy.

The presentation focuses on:

- Why go to University?
- Deciding which University to apply to.
- Deciding which course to apply for.
- The application process.
- University finance.
- Questions and answers.

I do hope you will be able to attend. Please return the reply slip below to your son/daughter's Form Tutor with an indication of which presentation you wish to attend.

Yours sincerely

Miss S L Mead
