improving services for disabled children

Improving services for disabled children is a priority in Hillingdon and the Local Authority would welcome your special insight in developing the right "Strategy for Disabled Children". Your views are important so please join other parents and carers at one or more of the Focus Groups (see below).

Focus Groups 1 and 2 are the same and will look at National, Local and Parental priorities (as identified in the Children's Society Consultation).

Focus Group 3 will look at short breaks.

Julian Wooster, Deputy Director Children's Services
and
Pauline Nixon, Head of Access and Inclusion

will be attending the Focus Groups and hope to see many of
you there to hear your views
