Dear Parents

If you are a Hillingdon resident you will have recently received a booklet from the authority called 'Shaping Your Schools'. It documents exciting new developments for schools south of the A40 and these are to be applauded. However, you will notice therefore that Haydon is not mentioned. It is hoped that the Building Schools for the 21st Century programme will move on to develop the schools in the North. It would be very helpful to Haydon if you responded to the document and made your views known.

You all know we need improved dining facilities for the students, a new sixth Form Block and a Performing Arts Centre to name but three off our wish list.

If you have mislaid the document you can find out more at www.hillingdon.gov.uk/BS21 and you can email your views at BS21@hillingdon.gov.uk.

Thanks for your support.

Yours sincerely,

S R Robson
Headteacher
