What Features are Common to Admissions of Students to any Year Group?

- Haydon has no pre-determined catchments area and parents and students living both inside and outside the London Borough of Hillingdon are entitled to apply for places.
- The Governors have the right to check every Application Form. If any information is found to be false or misleading, the Governors will not offer a place and will reserve the right to withdraw an offer of admission, which has already been made.

IN-YEAR ADMISSIONS

- Applications will be considered from students for admission to any school year at times other than the normal September intake for years 7 – 11.
- Applications will be considered if there is a place available in the year group
- In 2009/2010 the admission limit for years 7 – 11 is 300. If no vacancy exists students who live nearest to the school measured in a straight line from the school to the front door of their parents' permanent home will be placed on a waiting list.
- Priority will be given to children in public care.
- Applications for siblings will be considered, but not automatically be given priority. One term's attendance will have to be proven.
