Headteacher:
Mr R Jones BSc(Econ) MBA NPQH

Dear Parent

As Chair of Governors I would like to welcome you and your child to Haydon School, currently one of the strongest schools in the area.

I and the rest of the Governors are looking forward to working with you to support and shape your child's future. At Haydon we are proud that our students can experience a broad curriculum and have plenty of choice in their subjects and activities.

We expect that many parents will wish to support the school by joining the Governors' Fund and therefore contributing financially to maintain these opportunities over the next years.

I would like to invite you to join the Governor's Fund list by committing to a regular sum every month. Most parents contribute £20 or £30 per student, but it could be more or less, depending on circumstances: it is all useful. This is similar to schemes at many other schools now. The money is used to strengthen our curriculum and the number of opportunities available to students.

I know our students will be looking forward to the next phase of their life, and I hope they make the most of their time at Haydon.

If you are interested in making a contribution, please tick the relevant box on the 'Year 7 Transition Data Collection Form' and you will be sent the relevant form for completion.

Yours sincerely

Dr Tanya Huehns
Chair of Governors

Mission Statement

Haydon School is committed to the achievement of individual excellence, encouraging students to be creative and considerate, confident of their role in society and capable of rising to the challenges of a diverse and rapidly developing global economy
