EXAM RESULTS
2021

ACHIEVING
INDIVIDUAL EXCELLENCE
IN A CARING COMMUNITY

It is with great pleasure and pride in our students and staff that I introduce the examination results for 2021. Our school community has worked diligently for the last 18 months to ensure that all of our students continue to succeed and progress successfully. Despite the enormous challenges faced by the pandemic, our students have performed extremely well at GCSE and A-level and I would like to congratulate all of the students in Years 11 and 13. It gives me a real sense of pride seeing the youngsters rewarded for their hard work and successfully moving on to the next stage of their lives.

Year 11

Our Year 11 students produced outstanding GCSE results.

21% of all GCSE grades were 9 or 8

149 students achieved at least one top grade (8 or 9)

51 students achieved at least 5 top grades (8 or 9)

36% of GCSE grades were graded 9 to 7

97 students achieved 5 or more grades at 7 or above

70% of GCSE grades were graded 9 to 5

The government has introduced new measures of accountability for schools. At Haydon School 86% of students got a standard pass (Grade 4 or higher) in English and Mathematics and 66% got a good pass in both English and Mathematics (Grade 5 or higher).

Year 13

The Year 13 A-level results were very excellent: 55% of grades were at A* to B and 80% at A* to C.

I have recently received the report from UCAS on the destinations of our Year 13 students going to university: 171 Haydon School students are looking forward to starting at University at the end of September;

50 students have been accepted at a Russell Group University.

It is a very exciting time for the students and I wish them every success in the coming years. You will see at the back of this book all the destinations of our Year 13 students and the courses that they will be studying.

Other students have secured or are looking for employment and some have chosen to take time out before continuing their studies or embarking on a career. I wish all of them every success in the coming years.

It is a strength of Haydon that the majority of our students stay with us from Year 7 to Year 13. Parents can be confident that their son or daughter will be guaranteed high quality education throughout the crucial secondary years.
