

**HAYDON  
SCHOOL**

**BECOME PART OF  
A GREAT TEAM**

## **SCIENCE TECHNICIAN**

37 hours per week, 42 weeks per year, term time and five training days plus three additional weeks throughout the year. Scale 3, Point 5-6, Pro rata salary £20,346

Haydon is a large, friendly and creative school in North West London. We have been judged as outstanding by OFSTED.

### **THE ROLE:**

- Provide timely and effective preparation of materials for lessons, through regular liaison with teaching staff
- Responsible for all apparatus for practical lessons
- To ensure that laboratories and preparation areas are cleared after lessons and at the end of the day
- Apply scientific and practical knowledge to ensure all experiments for external exams are timetabled and trialled so that they can be carried out effectively by the students.
- Advise the Head of Subject on practical improvements to enhance the use and service of the Faculty to support the delivery of the curriculum.
- Support the proper maintenance of all equipment, keeping it clean and ensuring that specific statutory inspections of specialised equipment are carried out in accordance with relevant regulations
- Ensure the safe disposal of used and surplus chemicals and cultures
- Ensure that the requisite Health and Safety Regulations and Code of Practices are complied with for safety of staff and students
- Ensure stock levels are monitored and maintained in area of responsibility
- Check safety of all laboratory electrical equipment and apparatus and appliances to meet current legislation, including the Electricity at Work regulations 1989
- Clerical support including record keeping within an area of responsibility
- Dealing with spillages and accidents in the laboratories
- Ensure that all laboratories comply with First Aid and Fire regulations.

### **ABOUT YOU:**

At Haydon School, we really value people who work well in a team, are self-starters, enthusiastic and flexible.

### **REQUIREMENTS:**

- Degree in Biology, chemistry or Physics
- Excellent communication and numeric skills
- Willingness to participate in further training and developmental opportunities offered by the school and county, to further knowledge
