

EXAM RESULTS 2014

COMMITTED TO INDIVIDUAL EXCELLENCE IN A CARING COMMUNITY It is with great pleasure and pride in our students and staff that I introduce the exam results for 2014. Ofsted praised Haydon for the "particularly positive relationships between teachers and students," which "ensures an excellent climate for learning".

This is clearly borne out again by our 2014 examination results. The Year 13 A-level and BTEC National results were excellent: just over 50% of grades were at A* to B and 77% at A* to C. The school broke its record for A* grades with 8.7% of entries graded A* up from the previous best of 4.8% in June 2013.

The total number of students going on to University in September 2014 currently stands at 178. You can see the types of University courses our 2014 students won and also where our top students chose to go, within this booklet. In Year 12 the results were also outstanding. Leading the way was the 20% of Haydon students awarded the highest grade of A. The previous record was 14%. The A to B at 37% and the A to C at 55% also beat previous records resulting in the 2014 AS results being the best ever.

At GCSE, 71% of students gained 5 A* to C passes including English and Mathematics. 24% of all entries were graded A or A* and over 50% were graded A* to B. In mathematics, 82% of students achieved A* to C and in English Language the figure was 77%.

It is a huge strength of Haydon that the majority of our students stay with us from year 7 to year 13. Parents can be confident that their son or daughter will be guaranteed high quality education throughout the crucial secondary years.
