| Knowledge Prior / recall/ taught | Colour theory looking at the work of Wayne Thiebaud. Building on drawing skills and prior knowledge of colour learnt in primary school. | Continuing with project, focusing on designing and building a 3D cake from recycled materials. Retrieval: colour schemes, complementary, analogous. | Revisit colour theory this time looking at the artist Henri Rousseau. Drawing becomes more sophisticated as students are required to carefully draw animals in proportion. | Continuing with project designing and painting a low relief jungle scene. Retrieval: colour theory - tonal scales. | Revisit colour theory looking at the work of Niki de Saint Phalle. Closely looking at complementary colours. | Design and make a low relief tile. Using skills learnt in previous projects e.g. manipulating and applying tissue paper. |
| Skills Recall of knowledge and skills will be interleaved throughout the SOW | Mixing a tonal scale, painting the colour wheel using poster paint, observational drawing. | Planning, selecting, 3D model building, applying tissue paper, imitating colour used by the artist. | Observational drawing, colour theory mixing tonal scales in watercolour. | Composition, Watercolour., cutting and selecting appropriate images | Observational drawing, composition and pattern. | Understanding layout: Designing and planning own work. Colour theory, focusing on pattern and complementary tones. |
| Key Questions | What is special about primary colours? What skills do you need to be able to paint successfully? | What did you learn about observational drawing and how to draw 3D shapes? | Why is it important to look? What do you need to do to be able to draw from observation successfully? | Why is composition important in art? | What did you learn about pattern and the use of colour in this artist's work? | Give me some examples of how you can manipulate paper/cardboard |

| Content Knowledge: | Plastic and the environment. Designing and making a 3D model of a sea creature building on prior skills learnt in year7. Independent research and observational drawing in a range of media. | Plastic and the environment. Designing and making a 3D model of a sea creature building on prior skills learnt in year7. Discussions on how artists use topical issues to make art and the importance of protecting the planet. | Insect project - building on previous drawing skills learnt in year7. Students complete observational drawings of insects from life and 2D images. Begin to develop knowledge of properties and constraints of a range of media. | Continue to use a range of drawing techniques and media to create-Realistic and expressive outcomes. | Revisiting composition, pattern and colour, students select their own theme and design a 2D artwork showing inspiration from the artist David Shillinglaw and Jon Burgerman. | Composition, incorporating drawing, typography and pattern. Working on different layered surfaces, using skills learnt in previous project. |
| Skills Recall of knowledge and skills will be interleaved throughout the SOW | Understanding the importance of recycling and how these products can be used to make artwork. 3D media manipulation. | Understanding how our oceans and planet are being filled with rubbish and that we have the power and knowledge to do something about it. | Observational drawing, noticing. Understanding tone- to make a drawing look 3D. Learning how to create an interesting surface. | Using mark making to refine work. Using other materials linking to artist's work and showing skills in presentation. | Observational drawing in a range of media. Building on previous skills in pattern and composition. | Planning and selecting, refining. |
| Key Question | Why do you think we are doing this project? What have you learnt about the | What can we all do to help combat this? Why is this happening? Is there a solution? | What is noticing? What is mark making? | What are the similarities and differences between realistic drawings and expressive art works? | What is successful about David Shillinglaws work? What is an idiom? | How have you used the artist's work to develop your final outcome? |
