2022

Achieving individual excellence  
in a caring community

It is with great pleasure and pride in our students and staff that I introduce the examination results for 2021-2022. Once again, our students have performed extremely well at GCSE and A-level and I would like to congratulate all of the students in Years 11 and 13. It gives me a real sense of pride seeing the youngsters rewarded for their hard work and successfully moving on to the next stage of their lives.

This group of students has been through significant challenges over the last two years. They have shown enormous resilience studying through the COVID pandemic. They have learnt plenty of new skills which will stand them very well for the future. Our Year 13 students had their GCSE examinations cancelled and so I was delighted with how they responded to their first set of public examinations.

### **Year 11**

I was delighted with the results:

18% of all GCSE grades were 9 or 8  
108 students achieved at least one top grade (8 or 9)  
47 students achieved at least 5 top grades (8 or 9)  
30% of GCSE grades were graded 9 to 7  
69 students achieved 5 or more grades at 7 or above  
63% of GCSE grades were graded 9 to 5

At Haydon School 78% of students got a standard pass (Grade 4 or higher) in English and Mathematics and 54% got a good pass in both English and Mathematics (Grade 5 or higher). These are the recently accountability measures

### **Year 13**

The Year 13 A-level results were very good: 51% of grades were at A\* to B and 72% at A\* to C. I have recently received the report from UCAS on the destinations of our Year 13 students going to university: 135 Haydon School students are looking forward to starting at University at the end of September; 36 students have been accepted at a Russell Group University.

It is a very exciting time for the students and I wish them every success in the coming years. Just to give you a flavour of the destinations that our students will be attending:

- Aston, Birmingham, Cardiff, De Montfort University Leicester, Kingston, Kings College London, Loughborough, Leeds, Nottingham, Portsmouth, Royal Holloway, Queen Mary University Southampton, Sussex, University College London, Warwick and York

*Other students have secured or are looking for employment and some have chosen to take time out before continuing their studies or embarking on a career. I wish all of them every success in the coming years.*

It is a strength of Haydon that the majority of our students stay with us from Year 7 to Year 13. Parents can be confident that their son or daughter will be guaranteed high quality education throughout the crucial secondary years.
