Achieving individual excellence
in a caring community

It is with a great sense of pride in our students and staff that I introduce the examination results for 2023-24. Once again, our students have performed extremely well at GCSE and A-level and I would like to congratulate all of the students in Years 11 and 13. It gives me a real sense of pride seeing the youngsters rewarded for their hard work and successfully moving on to the next stage of their lives.

Year 11

I was delighted with the results:

14% of all GCSE grades were 9 or 8 and 23% of GCSE grades were graded 9 to 7. 8 students achieved 5 or more grades at 7 or above 54% of GCSE grades were graded 9 to 5 At Haydon School 69% of students got a standard pass (Grade 4 or higher) in English and Mathematics and 51% got a strong pass in both English and Mathematics (Grade 5 or higher).

Year 13

The Year 13 A-level results were very good: 39% of grades were at A* to B and 58% at A* to C. I have recently received the report from UCAS on the destinations of our Year 13 students going to university: 130 Haydon School students are looking forward to starting at University at the end of September; 35 students have been accepted at a Russell Group University. Overall 93% of students going to university secured their first place.

It is a very exciting time for the students and I wish them every success in the coming years. Just to give you a flavour of the destinations that our students will be attending: - Birmingham, Bristol, Cambridge, Kingston, Leeds, Leicester, Manchester, Nottingham, Oxford Brookes, Portsmouth, Royal Holloway, Queen Mary University, Sussex, University College London, Warwick and York. A few of our students have already secured Degree level apprenticeships, including two with the Metropolitan Police. Other students have secured or are looking for employment and some have chosen to take time out before continuing their studies or embarking on a career.

I wish all of them every success in the coming years. It is a strength of Haydon that the majority of our students stay with us from Year 7 to Year 13. Parents can be confident that their son or daughter will be guaranteed high quality education throughout the crucial secondary years.
