Achieving individual excellence
in a caring community

It is with a great sense of pride in our students and staff that I introduce the examination results for 2022-23. Once again, our students have performed extremely well at GCSE and A-level and I would like to congratulate all of the students in Years 11 and 13. It gives me a real sense of pride seeing the youngsters rewarded for their hard work and successfully moving on to the next stage of their lives.

Year 11

I was delighted with the results:

14% of all GCSE grades were 9 or 8
84 students achieved at least one top grade (8 or 9)
33 students achieved at least 5 top grades (8 or 9)
23% of GCSE grades were graded 9 to 7
58 students achieved 5 or more grades at 7 or above
54% of GCSE grades were graded 9 to 5

At Haydon School 71% of students got a standard pass (Grade 4 or higher) in English and Mathematics and 48% got a strong pass in both English and Mathematics (Grade 5 or higher). These are the recent accountability measures

Year 13

The Year 13 A-level results were very good: 37% of grades were at A* to B and 58% at A* to C. I have recently received the report from UCAS on the destinations of our Year 13 students going to university: 134 Haydon School students are looking forward to starting at University at the end of September; 29 students have been accepted at a Russell Group University.

It is a very exciting time for the students and I wish them every success in the coming years. Just to give you a flavour of the destinations that our students will be attending:

- Aston, Birmingham, Bournemouth, Kingston, Leeds, LMA, Manchester, Nottingham, Oxford, Portsmouth, Royal Holloway, Queen Mary University, Sussex, University College London, Warwick and York

A few of our students have already secured Degree level apprenticeships, with companies including Bosch and Coca Cola.

Other students have secured or are looking for employment and some have chosen to take time out before continuing their studies or embarking on a career. I wish all of them every success in the coming years.

It is a strength of Haydon that the majority of our students stay with us from Year 7 to Year 13. Parents can be confident that their son or daughter will be guaranteed high quality education throughout the crucial secondary years.
