HAYDON SCHOOL GUIDANCE FOR VISITORS

Haydon School is committed to safeguarding and promoting the welfare of young people and requires all staff and volunteers to share this commitment.

This leaflet is to outline what is expected of you. We aim to provide a safe and secure environment for our students, staff, volunteers and visitors.

We are committed to safeguarding and meeting the needs of young people and we hope this leaflet will provide some useful advice and information.

Welcome to Haydon school

Keeping everyone safe

We hope you have an enjoyable visit, but our main priority is to ensure that everyone who visits our School is aware of their responsibilities towards making sure all young people are safe. As a visitor it is important that you remember the following:

- If you are working in a 1:1 situation with a student, Haydon School must have confirmation from your organisation that they have conducted all the necessary safeguarding checks including an Enhanced DBS disclosure (which has checked the children's barred list)
- Do not have any physical contact with any student
- Never exchange personal contact details with a student, or agree to meet a child outside the school environment
- Cameras/taking photographs are not permitted within Haydon School unless prior approval has been sought
- Language used between students and between students and adults should be respectful
- We do not allow, support or condone language or behaviour which is racist, sexist, homophobic or discriminating in any other way
- If a child has a conversation with you which leads you to think they are being harmed or their safety is at risk, you have a duty to pass the information on to protect the child
- Please inform the Designated Safeguarding Lead Mrs J Guest or a member of the Safeguarding Team immediately

Security of Students, Staff, Volunteers and visitors

All students and members of staff wear photo ID badges at all times. All visitors should report to reception on arrival and sign the visitor's book showing proof of ID if appropriate. All visitors will be issued with a badge on a lanyard which should be worn and visible at all times.

Health & Safety Guide for Visitors

While on site, you are legally responsible for taking reasonable care of your own health and safety and the safety of others affected by your activities. If you have any concerns regarding health and safety, please raise it with a member of staff or reception who can then pass this information on to the relevant person to address.

Haydon School is a no smoking site.
