

How to look up the meaning of words in a dictionary

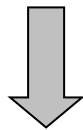

Write the word down
(ask for the correct spelling if you need to)

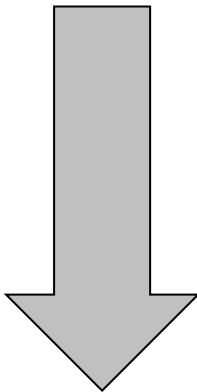

Look up the 1st letter of the word, then 2nd, 3rd etc until you find the word, e.g. bark, bark, bark...

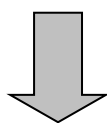

Meanings are usually written after numbers, e.g.
bark, 1. abrupt, harsh, explosive cry of a dog
Read the 1st meaning. Does it make sense?

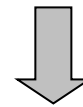

YES

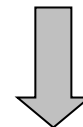

Write it down in your own words
e.g. bark: noise a dog makes

Try to put the word in a sentence,
e.g. The dog barked when he saw the cat.

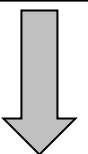

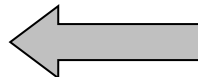

NO

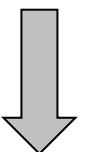

Read the 2nd meaning? Does it make sense?
bark, 1. abrupt, harsh, explosive cry of a dog
2. external covering of a tree
