

Dear Parents and students,

This term has flown past and the students have been working extremely hard in their lessons. I am very impressed with the feedback I have received from both our form tutors and subject staff regarding Year 7 forms. In this newsletter we would like to share with you some of the wonderful achievements of our Year 7 students and our interform competitions. Mr Baglan has done an amazing job leading the interform competitions, by organising the form board and Christmas Jumper competitions.

Last Friday we had an amazing time, judging the Christmas jumpers and we enjoyed the Christmas music and cheer as we visited each form. We were met with mince pies, lots of other food, Christmas hats and songs. Mr Baglan, Ms Wilding and I had an extremely challenging time trying to decide who the winner should be !

This year alone Year 7 have accumulated 35570 achievement points, and we have had 32 students who have been awarded over 220 points each so far this year! A special mention to the top student in the Year group who achieved the most points this year :

Paige Stoddart
Zuzanna Misiewicz
Felix Kalensky

Well done to the 96 students who have had 100% attendance in the year group, if students have been away with Covid this does not affect their attendance figure.

Faculty awards

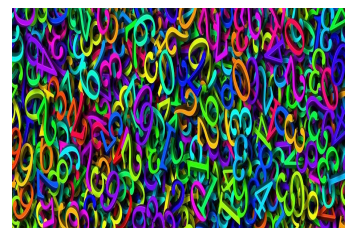

Congratulations to the following students for being awarded the Faculty Award for showing one of Haydon school's core values.

Faculty	Name of student	Core Value
Art	Zoe Sharples	Excellence
Design and Technology	Dimitrina Grazhdani	Excellence
Geography	Adam Read	Excellence
History	Felix Kallensky	Excellence
Spanish	Dimitrina Grazhdani and Musa Tabibi	Excellence
Italian	Daniel Genov	Excellence
Learning Support	Taylor Dimmock , Archie Jefferies and Elisha Munir	Excellence
Music	Elsie Dorricott	Excellence
PE	Zion Abbas	Excellence
REP	Matilda Heaton	Perseverance
Theatre studies	Lewis James	Respect
English	Khaled Imran Ali , Beyonce Jones, Musa Tabibi , Jessica Burgin	Excellence
English	Isaiah Wright	Perseverance
Maths	Lakshmithaa Chandrashekar and Paige Stoddart	Excellence
English	Daniel Genov and Katie Greaves	Respect
English	Holly Johnson Balkwill	Perseverance
Science	Daniel Genov ,Adam Read and Yasmin Waezi	Kindness/Excellence
Science	Felix Kalenskyy , Aishani Goel, Zuzanna Misiewicz ,	Excellence
Science	Renaisha Saratkar	Excellence/ Community

Hegarty Maths

All students should have been given details to the PIXL Times tables App by their maths teacher or form tutor. Please encourage them to practice using the app. Any questions please direct your child to their Maths teacher.

Students who has answered the most questions correctly:

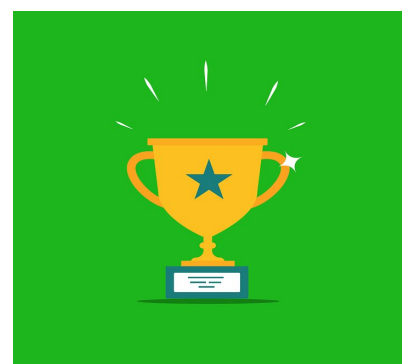

Faris Asiri 7HAC

Elisha Munir 7EPW

Congratulations to the following forms who answered the most questions correctly:

7IOT

7HAC

Bedrock English

Top 3 performing students last month:

Nana Amo AMO-DAKO 7IOT

Isabella TANUSHI - 7CLF

Jayane SASEENTHIRAN - 7SRM

Congratulations to the following forms who answered the most questions correctly:

7HAC

7IOT

7EDM

Form Tutor Awards - Student of the Term

Results of our Christmas interform competitions

In order to encourage a competitive spirit we have asked forms to compete against each other on achievements points, attendance and form competitions .

I am pleased to announce the following:

The form with most achievement points are 7 IOT

The form with the least behaviour points are 7 EPW

The form with the best attendance is 7 SGL

Interform Board Competition

1st APD

2nd SGL

3rd SAN

Christmas Jumpers

1st 7SGL

2nd 7SAN

3rd 7OT and APD

The overall winners this term are

1st 7SGL

2nd 7APD

3rd 7CLF

Covid

I would like to thank parents for ensuring that their child comes to school with a mask everyday, as this has reduced the amount of masks that Mr Baglan and I are issuing in the morning and has kept everyone safe. Please can I ask that you ensure your child has sanitiser as well and continue to notify the school if your child has tested positive for covid at the earliest opportunity.

Contacting staff

If you have a query regarding a subject please contact the subject staff directly rather than the form tutor. Please see link for staff email addresses.

<https://www.haydonschool.com/page/?title=Staff+List&pid=47>

Email is a more effective method to communicate with staff and it's important that any appointments must be made if possible outside of school time and with as much notice as possible given to the school. Students must be escorted and met by parents at the school gate. Staff will respond within 48 hours of the initial communication.

Messages from Year 7 Form Tutors

IOT

Well done to 7IOT form! It has been a great first term for the students; they made new friends and started developing skills and abilities in various subjects as well as in many extracurricular activities. I would like to thank my form students for their hard

work and the great number of achievement points they achieved throughout the first term (1st position)!

I would also like to thank them for the wonderful jumper they designed for me (3rd position). I am so proud of you! I would also like to thank the parents for their support! The students deserve a break and an enjoyable time during Christmas. Happy Christmas and a Happy New Year to everyone!

EPW

Well, that's a wrap. First term over. First off, well done! **Huge** well done. Within the space of a few months, I have seen many of you grow and learn and begin to realise your voice in this school, at a rather peculiar and uncertain time. But you're doing great. May it continue, may you rest well over the holiday and I send my best wishes to you and your family for a calm New Year's. See you in 2021!

CLF

It has been a great first term for 7CLF with many good friendships being formed and all the students working hard so that they have received many positive achievement points for their effort, perseverance and kindness. Many students have joined after school clubs, others got involved in photography or making 'thank you cards' competitions. Together, in PSHE, we have learnt and discussed dental health and drugs, both topics of great importance to our students. For Christmas decorations the students have designed and made a huge mural of 'Auntie Shagufta!' their own funny version of Santa and even

missed one of their morning breaks to work on the mural together. It has been a joy to see such a cooperative spirit develop spontaneously. The form has also worked together on a 'surprise' Christmas jumper for me which I will treasure for many years to come. Finally, I would like to thank all the parents of my form for their support and kindness which has been an invaluable help on countless occasions.

SAN

You have all been terrific! Each and every one of you, brings a uniqueness to our form. This term, we have been working effectively as a team to create a superb form board and my christmas jumper. I've been so impressed by the commitment you have all made in making our form class a positive and inspiring place to learn and grow. During our PSHE sessions, we have understood key issues and discussed current affairs. Now it's time for a well deserved break. See you all in 2021.

SHM

Well Done 7SHM You have made it to the end of term. It has been a busy one jam packed with lots of things to do. Many of you have attended extra curricular activities. Many of you contributed to working on the form board and adding information about yourselves. You are growing in your personalities and it is great getting to know more about each one of you day by day. 7SHM has been great in participating in PSHE and discussions. I was so impressed with the science projects you all did and excellent effort

was put into those. Many of you have worked hard and attained many achievement points. It was lovely to see the effort made to design the Christmas jumper for me with blue tinsel, the Haydon slogan and reindeer added on there and everyone's names on it. I loved it so thank you very much for all the hard work.

I am proud of you all 7SHM. Now it is time to have a well earned break. Have a wonderful Christmas and a Happy New Year. I look forward to seeing you all in 2021.

SRM

We had a great time working together on the form board, Christmas decorations and designing a Christmas jumper. We decorated the class with paper made snowflakes, a Christmas tree and few decorations. It was great to see students coming up with ideas to design the Christmas jumper.

I am proud to say that our form is one of those with top attendance.

Well done 7SRM for all your hardwork and effort during this term. We hope you all have a wonderful Christmas and see you all in 2021.

HAC

It has been a busy first term at secondary school for 7HAC who have undoubtedly made positive impressions on their teachers. During this term 7HAC have shown their commitment to excellence through successfully answering the most questions correctly not only on Hegarty Maths but on Bedrock too. In addition to this, all form members have showcased their creativity through the

concept behind our form notice board and their outstanding 3D science projects on cells which received a mention in the school newsletter. Throughout this term all members of the form have shown unwavering perseverance and comradery during what has been an unusual time at school for us all. I wish you all a well deserved break and an enjoyable Christmas holiday.

SGL

We have been getting in the festive spirit by making origami snowflakes to decorate our form room and working together to design and make a Christmas Jumper. All of the designs submitted were fun and ambitious. We decided to go with a Grinch themed jumper as we loved the moral of the Grinch story; Christmas is all about family and togetherness, not just presents! I am so proud of the effort 7SGL put in during form and after school. We had great fun, cutting felt, colouring and sewing whilst listening to Christmas songs.

As a form, we have been awarded lots of positive achievement points which is amazing to see and we are in competition for the top spot!

During form time, we have continued our weekly discussions of current events after watching Newsround and have focussed on Human rights in PSHEE.

Next term we will be reading a book together as a form.

APD

The form have had a great half term leading up to the Christmas break. The

form designed their own form board and won the inter form competition. It was great to see the ideas, effort and teamwork put into this, so well done to all involved.

The form then had to design a Christmas jumper for myself. The students involved in this created a great design, and they got to see me showcase this with a catwalk!

The students are all in need and deserve a break and I really hope they all have a wonderful time over Christmas.

Message from the Year Team

Message from the Mr Gosling

We reach the end of your first full term at Haydon School. We have been delighted with the progress you have made in very challenging times. You all deserve a great Christmas and we wish all our students and their families a very happy Christmas and peaceful new year.

Message from Mr Baglan and Mrs Hitchman

Well done Year 7 we have enjoyed this term and we look forward to the New Year, where hopefully we will be back to normal and extra curricular activities will start again !

We hope you enjoy your Christmas holidays and we have thoroughly enjoyed the last few weeks and all the community spirit you have all shown Happy Christmas and Happy New Year
