

# YEAR 8 NEWSLETTER

Wednesday 16<sup>th</sup> December

Dear Parents and Carers,

Firstly, let me take the opportunity to thank you for your ongoing support over the last term. This year has been a challenge for all as we have had to negotiate track and trace alongside the new 'bubble' way of life. Your children are a credit to you and the school. The way they have managed to adapt themselves to this new way of life has been very impressive. The students have shown perseverance in all aspects of their lessons and this has not gone unnoticed. I will share with you a range of students, over the next few pages, who have been given awards for their continued hard work and commitment which goes above and beyond our expectations.

## The first week back after half-term is a Week B

This means Year 8 students arrive on site for 09:00 - We advise students to not get here any earlier than 08:50. They go straight to their first lesson when they arrive and, as always, students are to use the top Wiltshire Lane entrance only.

### 0 Behaviour Points

Sabrina CHIBANI	8ADL	Riya PATEL	8EKM	Shivam RAO	8KAV
Hayden KNOX	8ADL	Lili PRING	8EKM	Natalie POYIATZI	8LRH

## Forward Thinking - GCSE Options

As we enter the Spring term I am sure you will be starting to think about the upcoming options process. As a school Haydon made the decision 3 years ago to run a 3 year KS4 with students choosing some of the subjects they wish to study from year 9 onwards. This has been a very successful change for the school and students have embraced the opportunity to direct their own education from Y9 onwards.

I understand that as a family you will want to take time to consider which subjects your child will move forward with and we will be providing you with all the information you need in the next term. However if you want to start

thinking about the options available to you now you can visit the Curriculum section of the school website ([link](#)), here you will find the KS4 Curriculum guide, presentations about the core subjects (English, Maths and Science) and also Departmental videos where heads of department introduce themselves and talk about their subject in more detail.

Don't worry if you are not sure which subjects you would like to take now, the official options process does not open until the 1st March and you don't need to submit any formal choices until the end of the month. If you have any questions regarding the process or would like to find out any more information you can contact Ms Appleby who leads the process.

## Final Thoughts

Alongside the awards above, the Year Team asked each Form Tutor to nominate two students who they felt had gone above and beyond this term. These students have received a certificate also. It really is a privilege to celebrate so many wonderful achievements.

Two weeks ago today, I led an assembly on Kindness and Empathy where I asked all Forms to make a Kindness pledge in the run-up towards Christmas. All forms have really taken their pledge on board and I have seen kindness shown in many different ways; contributions to the local food bank, positive conversations with peers/staff and virtual 'Thank you' messages are to mention but a few. I do hope that this continues in the New Year.

*Please Note: There has been a reprint of the Year 8 Timetable due to a number of changes. If your child has been in school today they will have received a paper copy but if they have not please ensure that they have looked at their timetable on Satchel:ONE for that first week back to ensure that they have all necessary books and resources upon their return.*

Finally, as I said in my assembly to the students today, I wish you all a safe, relaxing and very Happy Christmas break. I look forward to the students returning on Monday 4<sup>th</sup> January.

Kind regards,

Alexander Maclean  
Year Leader – Year 8

Sonal Hansora  
Deputy Year Leader – Year 8
