

HAYDON SCHOOL

16-19 BURSARY POLICY 2022-23

(A bursary to support post 16 education.)

Issue: 4 Author: Mr D Gooch

16-19 BURSARY POLICY

1. Introduction

The 16 to 19 Bursary Fund provides financial support to help students overcome specific financial barriers to participation so they can remain in education.

2. Eligibility

- 2.1 There are 2 types of 16 to 19 bursaries:
 - Vulnerable bursaries with a value of up to £1,200 a year for young people in one of the defined vulnerable groups.
 - Discretionary bursaries are awarded to meet individual needs, for example, help with the cost of transport, books and equipment.

Haydon school is responsible for managing both types of bursaries.

2.2 Eligibility

Age

- A student must be aged 16 or over but under 19 at 31 August 2022 to be eligible for help from the bursary fund in the 2020 to 2021 academic year.
- Students aged 19 or over are only eligible to receive a discretionary bursary if they are continuing on a study programme they began aged 16 to 18 ('19+ continuers') or have an Education, Health and Care Plan (EHCP).
- These 2 groups of aged 19+ students can receive a discretionary bursary while they
 continue to attend education (in the case of a 19+ continuer, this must be the same
 programme they started before they turned 19), as long as their eligibility continues
 and their institution considers they need the support to continue their participation.
- Students aged 19 or over are not eligible for bursaries for vulnerable groups.
 Institutions should generally only pay bursaries to students aged 16 or over.
 However, in exceptional circumstances institutions may use their discretion to pay bursaries to younger students, for example, where a student is following an accelerated study programme.

Eligible education provision

Students must be participating in provision that is subject to inspection by a public body that assures quality (for example Ofsted). The provision must also be either:

- funded directly by ESFA or by ESFA via a local authority
- · funded or co-financed by the European Social Fund

Issue: 4 Author: Mr D Gooch

16-19 BURSARY POLICY

 otherwise publicly funded and lead to a qualification (up to and including level 3) accredited by Ofqual or on the ESFA list of qualifications approved for funding 14 to 19

a 16 to 19 traineeship programme

Residency

Students must meet the residency criteria in ESFA funding regulations for post-16 provision.

2.3 The bursary for vulnerable groups can pay up to £1,200 per year to a student participating on a study programme that lasts for 30 weeks or more. Students on study programmes of less than 30 weeks should be paid a pro-rata amount.

The defined vulnerable groups are students who are:

- · in care
- care leavers
- receiving Income Support, or Universal Credit because they are financially supporting themselves or financially supporting themselves and someone who is dependent on them and living with them such as a child or partner
- receiving Disability Living Allowance or Personal Independence Payments in their own right as well as Employment and Support Allowance or Universal Credit in their own right. A student must be receiving UC because they are financially supporting themselves and anyone who is dependent on them and living with them such as a child or partner.

Haydon School may decide that although a young person may be eligible for a bursary because they are in one or more of the defined vulnerable groups, they do not have any actual financial need. This might be because their financial needs are already met and/or because they have no relevant costs. Haydon School can refuse a student's application on this basis. Similarly, students should only receive the amount they actually need to participate and not automatically receive £1,200 if they do not need the full amount.

Equally, Haydon School can pay a bursary to a vulnerable group student of more than £1,200 if they assess they need extra help to remain in education. Any payments over £1,200 must be paid from their discretionary bursary allocation or from their own funds.

Students who meet the criteria and who are on study programmes lasting for less than 30 weeks should be given a bursary on a pro-rata basis.

Note- there is a possibility of no award or a limited award to students. This ensures all parties understand that meeting the criteria for a bursary for vulnerable groups does not automatically mean funding will be given.

16-19 BURSARY POLICY

Evidence of eligibility

Haydon School must obtain proof that students are eligible for a bursary for vulnerable groups. We should ask for evidence from each student and retain copies for audit purposes. For example:

- For students who are in care or a care leaver, written confirmation of their current or
 previous looked-after status from the relevant local authority this is the local
 authority that looks after them or provides their leaving care services. The evidence
 could be a letter or an email but must be clearly from the local authority
- For students in receipt of Income Support or Universal Credit, a copy of their Income Support or Universal Credit award notice. This must clearly state that the claim is in the student's name/confirm they are entitled to the benefits in their own right. The evidence must not state any conditions that prevent them from participating in further education or training. For students in receipt of Universal Credit, institutions must also see a tenancy agreement in the student's name, a child benefit receipt, children's birth certificates, utility bills etc
- For students receiving UC/ESA and Disability Living Allowance and Personal Independence Payments, a copy of their UC claim from DWP (UC claimants should be able to print off details of their award from their online account). Evidence of receipt of Disability Living Allowance or Personal Independence Payment, must also be provided
- 2.4 The school is free to determine which students should be eligible to receive a bursary and how much they should receive. If more students apply than there are bursary funds available, the allocated payments listed in 2.7 below may be adjusted. Payments may be limited by the level of demand for bursary support. The receipt of bursary monies is never guaranteed.

Note- Haydon School can award discretionary bursaries equal to or higher than the bursary for vulnerable groups maximum as long as we have clearly identified an individual student requires this level of funding.

Haydon School will stop payments where students have been absent for a period of 4 continuous weeks or more (excluding holidays, or if there is evidence that the student intends to return) and where students have made a decision to withdraw from a study programme.

- 2.5 A student's household income will usually be assessed as evidenced by receipt of benefit, P60 or Tax Credit Award Notice if employed, or SA302 form or certified accounts if self-employed. Students currently or previously in receipt of free school meals are not automatically entitled to receive a bursary, but this may be taken into account.
- 2.6 Receipt of a bursary should be conditional on the student meeting agreed standards set out in Appendix 1.

In January of each academic year a review of 5% or lower unauthorised attendance and no more than 6 late marks for term 1 will happen. In May of each academic year a

review of 5% or lower unauthorized attendance and no more than 6 late marks for term 2 will happen. If students have met this criteria they will receive payment of bursary.

2.7 There will be three categories of bursary payment:

Type A- Students in the defined vulnerable groups in 2.3 above. They are eligible for up to £1200 per academic year. This will be divided into two payments throughout the year by electronic deposit.

Evidence of eligibility is set out in section 2.3 above.

Type B- Students in receipt of free school meals or means-tested benefits can apply for a bursary and the amount will be decided by the assessment panel per academic year. This will be divided into two payments throughout the year by electronic deposit.

Evidence of eligibility is set out in section 2.5 above.

The size of the allowance will be established upon agreement by the school and based on individual needs. All evidence of household income will be in strict confidence.

- **Type C-** Students can apply for an in-kind discretionary bursary for specific educational purposes if there is financial need. This amount will not exceed £100.00 per annum. These include, but are not limited to:
 - Costs of transport
 - Meals in school
 - Books and equipment
 - Educational trips
 - UCAS fees

3. Administration

For audit purposes, hard copies of all documentation for the Bursary Fund should be kept for a period of 6 years. This documentation must include evidence of the application process, documents relating to how the learner was assessed and the funds issued.

4. Applications and payment process

- 4.1 Students should apply for a bursary by the last Friday before the October half term. Further opportunities to apply will be in March (before the Easter break) if the October deadline is missed. Students must apply for funds for specific educational purposes. All applications must be submitted to the Sixth Form Administrator using the form in Appendix 2.
- 4.2 The assessment panel will assess each claim and authorise payments.

Issue: 4 Author: Mr D Gooch

16-19 BURSARY POLICY

4.3 The assessment panel will meet to make decisions on applications. Payment decisions must be recorded for audit purposes along with records of applications and evidence. The assessment panels will consist of an Assistant Headteacher for the Sixth Form, and a member of the Sixth Form Team.

- 4.4 Payments from the Bursary Fund in the case of emergencies can be authorised by the Assistant Headteacher for the Sixth Form.
- 4.5 Students will be informed in writing of the decisions of the assessment panel within one week of the assessment panel's meeting. Appeals over decisions made must be made in writing to the Headteacher. An appeals panel consisting of three Governors will meet to hear all appeals.
- 4.6 Bursary payments are transferred directly into student's bank accounts.
- 4.7 Payments should not be made into another person's account, except in exceptional circumstances where a student is unable to administer their own account. Payments may be made to a joint account, as long as the student is one of the account holders.
- 4.8 Bursaries may also be paid 'in kind'. Such items will be provided to the named individual. In the case of books or equipment we ask they be returned at the end of the course.
- 4.9 In determining payments of the 16-19 Bursary Fund students will not be discriminated against on the basis of their protected characteristics. Payments are also subject to the public sector equality duty in section 149(1) of the Equality Act.
