

Achieving individual excellence
in a caring community

Friday 16th June 2023

Dear Parent / Carer,

I am delighted to welcome you all to Haydon School and would like to introduce myself as the Co-Chair of our Haydon Parent Teacher Association. I have worked alongside the school for many years now, helping to fundraise and arrange exciting events for our students and families.

Due to Covid, we have found it extremely challenging to fundraise. With restrictions in place and social distancing, our fun events have unfortunately been on pause over the last few years.

We are excited to announce this is slowly changing as we have already held a very successful Easter Raffle, as well as launching a quiz night for all in June. Currently, we are in the process of organising another 'Krispy Kreme' campaign, to take place at the end of the school term.

In the past, we have raised some outstanding funds for Haydon School. Previously, the money raised has enabled the school to pay for much needed air conditioning units, sewing machines for our Textiles department, sports equipment for our PE department and lots more beneficial items!

This year, Haydon School's aim is to raise enough money to be able to purchase a new minibus to be used on educational school trips, and sports fixtures.

As our PTA is a voluntary role, we rely heavily on teamwork and dedication from our Haydon parents and families to support our goals and ideas. As a parent, we understand it may not always be possible to financially support, but we would be grateful for any time you can contribute, even if it's only 30 minutes a year.

During my time undertaking PTA responsibilities at Haydon School, I have also had the chance to meet so many wonderful people from our community that I would not have met otherwise. There was a resistance to join at first as I had limited time available, but I soon realised how beneficial it was for myself as a parent interested in my child's education, to see the positive impact our hard work has on the students.
