Summary

The 16 to 19 tuition fund is ring-fenced funding for schools, colleges and all other 16 to 19 institutions who receive annual funding allocations from ESFA for the provision of 16 to 19 education, to mitigate the disruption to learning arising from coronavirus (COVID-19).

The funding is to support small group tuition for students aged 16 to 19 in English, maths and other subjects that have been disrupted, including vocational and/or academic learning. Students aged 19 to 24 who have an education, health and care (EHC) plan are also eligible for support. All students must be on a 16 to 19 study programme and the funding should be used to support the tuition activity above and beyond the programmes of education already planned. It is for students who:

- have not achieved a grade 4 or 5 in English and/or maths
- have a grade 4 or above in English and/or maths, are from an economically disadvantaged background and would need catch-up support. These are defined as students from the 27% most economically deprived areas of the country based on the index of multiple deprivation

Haydon Sixth Form Statement

Haydon Sixth Form has identified 117 students across years 12 and 13 who meet the criteria for the 16 to 19 tuition fund.

Students are paired with internal teachers as tutors as well as external tutors where appropriate to provide small group tuition with the aim of closing gaps in attainment.

Where students may not be making significant progress in more than one subject, tuition across subjects will apply.

<u>Internal staff</u> -£40.00 Cost of tuition per hour (pre-tax)	117 students across years 12 and 13 who qualify for tuition	Up to 15 hours of tuition provided to each student per subject.
<u>External tutors</u> - cost of tuition will vary and not exceed £40.00 per hour		

The Senior Leadership Team is responsible for:

1. Identifying qualifying students

2. Communication of tuition expectations with staff, students, and parents
3. Ensuring quality tuition takes place to support progress

Impact:

The 117 students will all make improved progress being on or above their minimum expected grade.
