Dear Students,

### **Building works and room changes**

As you know, there is a lot of building work going on around the school. We have finished fitting solar panels to the roofs, and are now preparing the classrooms for eventually having air conditioning. This means that we will have to close some classrooms each week and move you elsewhere. The following rooms are closed next week and you will move to the below temporary classrooms, changes will appear on your timetable in Satchel:

- M205 to go to H002
- M206 to go to H111
- M214 to go to H112

When your form tutor reads this letter to you, they will make sure you know where the new rooms are and how to get to them. We have reopened the small corridor from St Nicks to the Hive, to help you move towards classrooms in the Hive.

### **Toilets**

This is a gentle reminder that if you are found in a toilet cubicle with more than one person, you will be given an internal exclusion and your parents contacted. It is not appropriate to gather as large groups in the toilet, and it prevents other students from using the toilet when they genuinely need it.

### **Field**

We will keep the field open to you as long as we can, but please stay inside the coned area, and do not go to the right hand side of the field, beyond the long jump area. It takes too long to return to lessons from that far away and you cannot hear the bell at the end of break and lunch. When it is raining we can stay off the field and use the tennis courts for ball games.

### Uniform

As the weather becomes more autumnal many of you will start to wear coats to school. You are allowed to wear outside coats as you move around the school. However, you are not allowed to wear any outside coats in lessons or in assembly. As a reminder you must wear your tie, jumper or blazer with your outside coat only being worn over the top. **Your outside coat can not be a substitute for your blazer or jumper.** You are not allowed to wear any other item of clothing in place of the school uniform, if you do, items will be confiscated.

### St Nicks Stairwell

This area of the school gets very busy, particularly towards the bottom of the stairwell nearest to the car park. We have made the decision to make the doors from St Nicks to this stairwell no entry from the corridor side on all 3 floors. This will mean that when you leave your lessons in a St Nicks classroom, you need to move in the direction of the Woods building to travel to your next lesson. This may take 30 seconds longer, but the overcrowding in the stairwell at the moment is dangerous so we have to try and improve this.

### Litter

We have noticed an increase in the amount of litter around the school site. This is really disappointing as it not only creates an unpleasant environment for us to all work in but also creates unnecessary work for our site staff who have to clear it up. Can you all please ensure you are using the litter bins to put your rubbish in. These are located around the site and in every classroom. There is no excuse to drop litter or leave it on a table.

Yours Sincerely

Mr Kidd and Ms Appleby
