

Coronavirus (COVID-19): risk assessment for full opening in September (updated as needed)

Haydon School

Assessment conducted by: Director of Finance and Operations (DFO)		Covered by this assessment: staff, students, parents, visitors and volunteers.
Date of assessment: August 2020 Updated November 2020 Updated January 2021	Review interval: as required	

Risk rating		Likelihood of occurrence		
		Probable	Possible	Remote
Likely impact	Major Causes major physical injury, harm or ill health.	High (H)	H	Medium (M)
	Severe Causes physical injury or illness requiring first aid.	H	M	Low (L)
	Minor Causes physical or emotional discomfort.	M	L	L

Area for concern	Risk rating prior to action H/M/L	Recommended controls	In place? Yes/No	By whom?	Deadline	Risk rating following action H/M/L
Policies and procedures	H	<ul style="list-style-type: none"> ● All students, staff and volunteers are aware of all relevant policies and procedures including, but not limited to, the following: <ul style="list-style-type: none"> - Health and Safety Policy - First Aid Policy - Social Distancing Policy Statement - Coronavirus (COVID-19) Reopening Plan ● All staff have regard to all relevant guidance and legislation including, but not limited to, the following: <ul style="list-style-type: none"> - Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR) 2013 - The Health Protection (Notification) Regulations 2010 - Public Health England (PHE) (2017) 'Health protection in schools and other childcare facilities' - DfE (2021) 'Actions for schools during the coronavirus outbreak' - DfE and DHSC (2021) 'Mass asymptomatic testing: schools and colleges' ● Staff receive any necessary training that helps ensure there is a happy and safe school environment. ● The school keeps up-to-date with advice issued by, but not limited to, the following: <ul style="list-style-type: none"> - DfE - NHS - Department of Health and Social Care - PHE - The school's local health protection team (HPT) <p>All staff, parents, students, visitors and contractors are made aware of any infection control procedures and social distancing arrangements.</p>	Y	HT / DFO	August 2020	L

Area for concern	Risk rating prior to action H/M/L	Recommended controls	In place? Yes/No	By whom?	Deadline	Risk rating following action H/M/L
Premises	M	<ul style="list-style-type: none"> The site team checks all site including grounds on a daily basis The headteacher, in conjunction with the governing board, ensures the school reopens only when it is safe and advisable to do so, in line with local and national advice. The headteacher identifies which areas of the school may be used for school activity and communicates this to staff and students. The site team arranges for any changes to the premises to be made to account for social distancing measures. <p>The headteacher limits access to the school for all non-essential visitors.</p>	Y	SLT	August 2020	L
Gas supply, systems and equipment	M	<ul style="list-style-type: none"> The site team checks that all mandatory inspections of gas equipment are up-to-date, and arranges any required inspections as soon as possible. 	Y	DFO	August 2020	L
Electrical supply, systems and equipment	M	<ul style="list-style-type: none"> The site team ensures that any mandatory inspections of electrical equipment are up-to-date and arranges any required inspections as soon as possible. 	Y	DFO	August 2020	L
Heating and ventilation	M	<ul style="list-style-type: none"> The site team checks that all heating and ventilation systems, including fume extraction systems, are in working order and that there are no blockages present in external or internal vents. 	Y	DFO	August 2020	L
		<ul style="list-style-type: none"> Mechanical ventilation systems – the systems should be operated as normal and should be supplemented by an outdoor air supply Natural ventilation – In cooler weather windows should be opened just enough to provide constant background ventilation, and opened more fully during breaks to purge the air in the space. Opening internal doors can also assist with creating a throughput of air. Natural ventilation – if necessary external opening doors may also be used (as long as they are not fire doors and where safe to do so) 	Y	All Staff	November 2020	L

Area for concern	Risk rating prior to action H/M/L	Recommended controls	In place? Yes/No	By whom?	Deadline	Risk rating following action H/M/L
Fire safety and evacuation routes	M	<ul style="list-style-type: none"> A suitably trained individual checks that all fire detection, alarm systems, fire extinguishers are in working order. The fire safety officer and headteacher ensure that the fire management plan and fire safety risk assessment are up-to-date and applicable to any changes in people movement or access, e.g. if parts of the school remain temporarily closed. How social distancing measures are to be observed at evacuation points is communicated to all staff and students via fire evacuation procedures. 	Y	DFO	August 2020	L
Water storage, drainage systems and sanitary appliances	M	<ul style="list-style-type: none"> A suitably trained individual checks all hot and cold water systems, including air conditioning units, for legionella or other harmful build-ups. A suitably trained individual checks all sanitary appliances, including drainage, for blockages, adequate hygiene and that they are in working order. 	Y	DFO	August 2020	L
Lifts, automatic doors and plant equipment	M	<ul style="list-style-type: none"> The site team checks that lifts, stairlifts and automatic doors are in working order. The site team ensures that any mandatory inspections for lifts, stairlifts and automatic doors are up-to-date and arranges any required inspections as soon as possible. A suitably trained technician checks the integrity and working order of any plant equipment, and that any mandatory inspections are up-to-date – the site team ensures any required inspections take place as soon as possible. 	Y	DFO	August 2020	L
Cleaning and infection control	M	<ul style="list-style-type: none"> Two day cleaners are hired in addition to after school cleaning team. Areas used will be cleaned at the end of each day and inspected by the cleaning supervisor. 	Y	DFO		L

Area for concern	Risk rating prior to action H/M/L	Recommended controls	In place? Yes/No	By whom?	Deadline	Risk rating following action H/M/L
		<ul style="list-style-type: none"> • Dining areas are cleaned between use by different bubbles. • Where necessary, the number of rooms used by staff and volunteers is limited to avoid the spread of infection. • The necessary areas of the school are deep cleaned before opening with suitable cleaning agents. • All areas that have been cleaned are checked to ensure they are safe to occupy, e.g. there are no slip hazards and any harmful substances have been removed. • Classrooms are slim lined and unnecessary furniture is removed. • All areas that remain temporarily closed or partially closed for cleaning or infection control purposes are clearly identified. • Adequate amounts of suitable cleaning agents are available. • PPE is available to members of staff who require it to carry out cleaning safely. • Resources that are shared between bubbles, e.g. sports equipment, are regularly cleaned by PE Team and thoroughly cleaned by PE Team before they are shared between bubbles. 			August 2020	
Minimising contact with individuals who are unwell	H	<ul style="list-style-type: none"> • Anyone who displays symptoms of coronavirus, or who has tested positive in the last 10 days, does not enter the school grounds. • Parents are informed not to bring their children to school or onto the school premises if they show symptoms of coronavirus and/or believe they have been exposed to coronavirus. • Staff are informed of the symptoms of possible coronavirus infection, e.g. a cough, difficulty breathing and a high temperature, and are kept up-to-date with national guidance about the signs, symptoms and transmission of coronavirus. 	Y	MRW	August 2020	M

Area for concern	Risk rating prior to action H/M/L	Recommended controls	In place? Yes/No	By whom?	Deadline	Risk rating following action H/M/L
		<ul style="list-style-type: none"> • Instances of staff, students, visitors and volunteers displaying symptoms of coronavirus are managed in line with local and national guidance, and any unwell individuals are sent home as soon as possible. • Students awaiting collection are moved to a room where they can be isolated behind a closed door in the First Aid Room. If it is not possible to isolate the student, they are moved to an area which is at least two metres away from others. If required, a member of staff supervises the student. • If the student needs to use the toilet while awaiting collection, they use a spare bathroom if possible. The bathroom is cleaned and disinfected using standard cleaning products before being used by anyone else. • PPE is worn by supervising staff if direct personal care is needed and they cannot maintain a distance of two metres. • Anyone who comes into contact with an unwell individual washes their hands thoroughly for 20 seconds. • The area around the symptomatic individual is cleaned with normal household bleach after they have left the premises. • The school does not routinely take the temperature of students. • The school refuses to admit a student who is displaying symptoms of coronavirus and their parents are insisting their child attends if, in its reasonable judgement, the student poses a risk of infection to other members of the school community. 				
Rapid-result testing	H	<ul style="list-style-type: none"> • All rapid-result testing is carried out in line with the Coronavirus (COVID-19): Rapid Testing Guidelines. • Staff, students and parents are informed of the testing programme. • Testing is only conducted on students and staff after consent has been given. 	Y	DFO	January 2021	L

Area for concern	Risk rating prior to action H/M/L	Recommended controls	In place? Yes/No	By whom?	Deadline	Risk rating following action H/M/L
		<ul style="list-style-type: none"> • Testing takes place on the designated test site (St Mary's Hall), which has been set up in line with NHS guidance. • Only trained personnel supervise self-administered tests. • Weekly routine testing is conducted on staff and students who have provided their consent. • Serial testing is not carried out. • A close contact is required to self-isolate for 10 days from the day the individual tested positive for coronavirus. • PPE is worn at all times by staff involved in overseeing the testing process, in line with government guidance. • Individuals who test positive following a rapid test must self-isolate and are instructed to take a confirmatory polymerase chain reaction (PCR) test. 				
Test and trace	H	<ul style="list-style-type: none"> • Staff members and parents are informed that they may need to engage with the NHS Test and Trace programme, meaning they need to be ready and willing to: <ul style="list-style-type: none"> - Book a PCR test if they (or their child) display symptoms. - Provide details of anyone they (or their child) have been in close contact with if they were to test positive for coronavirus or are asked by NHS Test and Trace. - Self-isolate if they have been in close contact with someone who develops coronavirus symptoms or someone who tests positive. • Anyone in school who displays symptoms is encouraged to get a PCR test. • If the school believes a symptomatic individual may face barriers to accessing a PCR test elsewhere, the school provides them with a home testing kit. • Test kits stored on the school site are stored securely at ambient room temperature (5 to 22°C). • The school will consider offering a symptomatic staff member a testing kit if they cannot otherwise access testing quickly and if the individual is vital to the running of the school. 	Y	MRW	August 2020	M

Area for concern	Risk rating prior to action H/M/L	Recommended controls	In place? Yes/No	By whom?	Deadline	Risk rating following action H/M/L
		<ul style="list-style-type: none"> • Testing kits are delivered safely and with due regard for transmission risk. • Kits are not given directly to students but are instead given to the student's parent or carer. • Parents and staff are asked to inform the school immediately of test results. • If an individual tests negative, they feel well and no longer have coronavirus symptoms, they, and the members of their household, can stop self-isolating as long as: <ul style="list-style-type: none"> - Everyone they live with who has symptoms tests negative. - Everyone in their support bubble who has symptoms tests negative. - They were not told to self-isolate for 10 days from the day after contact with the individual who tested positive by NHS Test and Trace. - They feel well. • If an individual tests positive, they are required to self-isolate for at least 10 days from the onset of symptoms and then return to school only if they do not have symptoms. • Staff and students aged over 16 are encouraged to download the NHS Test and Trace app. • Students and staff are informed that, if they receive notification via the NHS Test and Trace app that they have been in close contact with a positive case, they must inform the school immediately. • If a student receives notification, the school ensures appropriate arrangements are in place for the student to self-isolate and begin remote learning. 				
Confirmed cases of coronavirus	H	<ul style="list-style-type: none"> • Parents are informed of how the school responds to confirmed cases of coronavirus. • Where an individual in the school community tests positive for coronavirus, the school first aider contacts the local Health Protection Team (HPT) immediately. 	Y	MRW	August 2020	M

Area for concern	Risk rating prior to action H/M/L	Recommended controls	In place? Yes/No	By whom?	Deadline	Risk rating following action H/M/L
		<ul style="list-style-type: none"> • The school works with the local HPT to manage the response. • Individuals at school who have been in close contact with someone who has tested positive are sent home immediately. Close contact is defined as follows: <ul style="list-style-type: none"> - Direct close contacts – face-to-face contact with an infected individual for any length of time, within one metre, including being coughed on, a face-to-face conversation, or unprotected physical contact (skin-to-skin) - Proximity contacts – extended close contact (within one to two metres for more than 15 minutes) with an infected individual - Travelling in a small vehicle, like a car, with an infected person • Household members of individuals who are sent home do not need to self-isolate unless the individual they live with develops symptoms. • A record is kept of students and staff in each bubble and of any close contact between individuals at school. • If required, all parents and staff are informed of the confirmed case; however, the name of the individual is not shared. • The school does not request evidence of negative test results or other medical evidence before admitting individuals back to school after a period of self-isolation. • If the school has two or more confirmed cases within 14 days, or an overall rise in sickness absence where coronavirus is suspected, the school continues to work with the local HPT who advises on additional actions. 				

Area for concern	Risk rating prior to action H/M/L	Recommended controls	In place? Yes/No	By whom?	Deadline	Risk rating following action H/M/L
Hand cleaning and respiratory hygiene	H	<ul style="list-style-type: none"> Hand washing and sanitising stations are set up, providing soap and water, bins and alcohol-based hand sanitiser. Adequate amounts of soap, tissues and bins are available in the relevant areas. Students and staff are encouraged to wash their hands regularly, including when they arrive at school, when they return from breaks, and before and after eating. In line with current government guidance, face coverings are required when moving around the premises. If an individual arrives at school wearing a face covering, they are asked to remove the covering safely upon entering the premises and put it in a plastic bag so that it can be taken home. They are asked to wash their hands immediately after doing so. Hygiene measures are explained to visitors and contractors upon their arrival. 	Y	SLT	August 2020	L
		<ul style="list-style-type: none"> The Social Distancing Policy Statement is shared with all relevant members of the school community and adhered to as far as possible. Students are given regular reminders of why social distancing is important and the opportunity to speak to staff about how they are finding adhering to the social distancing measures. Students and staff are separated into bubbles. PE Team will start using Dobson Sports Hall and St Mary's Gym for different bubbles within same day from 2/11/2020 – This has a specific risk assessment 'Use of St Mary's Gym and Dobson Sports Hall for PE lessons by different bubbles within same day'. Most bubbles are the size of a year group to enable the school to deliver the full range of curriculum subjects and ensure students receive specialist teaching. Students do not mix with those outside 	Y	DAG	2/11/2020	L
			Y	SLT		M

Minimising contact between individuals and maintaining social distancing	H	<p>of their bubble and social distancing is maintained within a bubble as much as possible.</p> <ul style="list-style-type: none"> • Staff can move between bubbles, but minimise close contact with others whilst doing so. • Staff maintain a two-metre distance from each other and from students, where possible. Where maintaining a two-metre distance is not possible, staff avoid close face-to-face contact and minimise the time spent within one metre of anyone. • Students' educational and care support plans are provided as normal. • Classrooms are adapted to support social distancing, including seating students side-by-side and facing forwards, and moving furniture out of classrooms to make more space. • Visual aids are used to display social distancing measures. • Students take breaktimes and lunchtimes in their groups. • The use of communal areas, e.g. the staff room, is limited to avoid unnecessary group gatherings. • Start and finish times are staggered. • Parents are briefed on new provision for the drop-off and collection of their children. • Where necessary, school transport is restricted to essential use only. • Where school transport is essential, infection control and social distancing measures are implemented. • Public transport to and from school is minimised as far as possible. Where it is totally necessary, students are encouraged not to travel during peak times, and staggered start and end times are implemented to ensure this is possible. 			August 2020	

Area for concern	Risk rating prior to action H/M/L	Recommended controls	In place? Yes/No	By whom?	Deadline	Risk rating following action H/M/L
		<ul style="list-style-type: none"> Students are given clear messages about minimising the use of public transport and how to reduce the risks of transmission outside school. Students aged 11 and above are informed that they must follow the rules on wearing face coverings on public transport. Supply teachers, peripatetic teachers and other temporary staff members can move between schools. They minimise their contact with other staff members and maintain as much distance as possible from other individuals. Social distancing measures are explained to all contractors and visitors upon their arrival. (only essential visits are allowed) A record is kept of all visitors and contractors that come to the school site. 				
Resources	H	<ul style="list-style-type: none"> Staff and students have their own individual and frequently used items, e.g. pencils and pens. Resources that are shared between bubbles, e.g. sports equipment, are cleaned by PE Team before they are used by a different bubble. Students only bring essential items to school each day. Students are permitted to bring bags to school. Any shared resources that need to be taken home by students and staff are appropriately cleaned or a rotation is put in place. 	Y	SLT	August 2020	L
PPE	H	<ul style="list-style-type: none"> PPE is distributed to staff who provide intimate care for students in need and for cases where a student becomes unwell with symptoms of coronavirus whilst in school and a distance of two metres cannot be maintained. Staff, students and visitors are required to wear face coverings when moving around the premises. 	Y	SLT	August 2020	L

Area for concern	Risk rating prior to action H/M/L	Recommended controls	In place? Yes/No	By whom?	Deadline	Risk rating following action H/M/L
		<ul style="list-style-type: none"> Additional risk assessments are conducted on a case-by-case basis to determine whether staff require PPE to carry out other tasks and duties. Used PPE is disposed of properly using bins provided around the school. Staff and students are told not to use recycling bins. All PPE waste is put in a plastic rubbish bag which, once full, is tied and placed in a second tied bag and stored in a suitable and secure place, marked for storage for 72 hours. Following this period, it is put in the communal waste area. 				
Mental health and wellbeing	M	<ul style="list-style-type: none"> Student and parent surveys are sent out to assess how they feel about being on the school site and to enable staff to act on any concerns students and parents may have. Staff and volunteer surveys are sent out to assess how they feel about being on the school site and enable the SLT to act on any concerns staff and volunteers may have. The relevant staff liaise with the parents of students who are deemed more vulnerable to infection and discuss any alternative arrangements, where required. Staff and volunteers notify the headteacher and their line manager if they need to be shielded because they are extremely clinically vulnerable or if they are otherwise at increased risk from coronavirus. Extremely clinically vulnerable staff and volunteers notify the headteacher and their line manager if they wish to return to work following a period of shielding. The headteacher and line manager ensure measures are in place to keep the staff member or volunteer safe whilst on the school site. Line managers hold discussions with staff who are deemed more vulnerable to infection and put any alternative arrangements in place. 	Y	CNW	August 2020	L
